ROSE BUSH!

Amber Rose flashes flange for feminism

AMBER ALERT!

WE'RE all for feminism. We don't know what it is exactly, but apparently, if we're for it, more chicks will want to root us. So we're definitely for it.

Which brings us to Amber Rose. Ever since the Seppo ex-stripper and bit-player in rap videos launched her new career as a CELEBRITY, she's been bangin' on about feminism and how beaut it is.

And every now and then we'd stop looking at her tits, listen to what she was sayin' for a minute, and then go back to chucking rocks at possums.

Obviously, our attention span was limiting the impact of Amber's message, so being a brainy chick, she came up with the answer.

You're lookin' at it. Her beaut, furry, SMOO.

She chucked this pic onto her Twitter page to promote her annual feminist Slut Walk, and suddenly we were interested again.

A couple of questions, but:

- Is that Crisco all over her?
- Why no tits?
- Can that thing TALK?

Everything else is pretty clear. We think – FINALLY – we're getting the hang of this feminism thing.

Thanks, Amber. We're better men for seeing this. The Picture

Summer LOVIN

Meet the UK's hottest new export

NOT all English blokes are dickheads. We know this will come as shocking news to most of you, but it's the only conclusion we can come to after discovering they've made Summer St Claire one of the top magazine models in Pomgolia.

"My bottom seems to grab the most attention," says the stunning 25-year-old.

"'Cherry Bum' has become my nickname over here. Personally, I love the ratio of my hourglass figure, though."

Can you tell us about those chesticles?

"They seem to eat more than I do. Always collecting crumbs! I'll take my bra off at the end of the day and always

SUMMER'S
STACKED!

New Tits On the block

find a collection of food. It's a bit gross but I can't help being a bit top-heavy. I have to take the pros with the cons."

Europe sounds a bit fucked with all that terrorism business. Have you ever thought about coming down to GODZONE?

"I have actually seriously considered it – I'm not joking. A lot of my friends have been there and say how wonderful it is. I've put it on the list of places I want to go to very soon."

Have you ever had an alfresco fuck somewhere you shouldn't have?

"All I'm saying is, what happens in Spain, stays in Spain. My lips are sealed! Sorry, guys."

Fair enough. Something we'd never guess about you is...

"I'm a very down-to earth and normal girl. People tend to assume I'm something I'm not until they get to know me."

Do you have a favourite rooting position?

"I like to mix it up a lot. I hate routine in general, particularly in the bedroom. But if I had to choose one I'd go with doggy. It's the most fun."

There are worse ways to spend a Sunday arvo. ■ Picture

News Flash

FULL OF CRAP

DOCS in China have removed 75cm of intestines containing a whopping 13kgs of impacted turds from a bloke in Shanghai. The 22-year-old fella was suffering from Hirschsprung's disease, which stops the muscles around the bowels from pushing out a nice healthy GROGAN. Subsequently, he hadn't taken a decent crap in quite a while, and the resultant poo build-up was so impressive that after the doctors removed it, some of them couldn't resist having their PHOTO taken with it. What's the bet it'll be on their Chrissie cards this year?

PUTIN ON A SHOW

WHEN they're not invading Ukraine or buggering up the US elections, the Russians love a bit of tractor racing. More than 30 tractor jockeys hit the mud in their Massey-Fergusons at the 15th annual Bizon Track Show, jumping their steel steeds a couple of metres in the air to impress the BABESKIS. The show, in Rostov-on-Don, near the Black Sea, is all about promoting agricultural work and trying to entice Russian YOOF off the vodka and back to the land. Organisers were hoping Vladimir Putin would show up and wrestle a tractor bare-chested in the mud, but apparently he was busy that weekend.

SAVE THE BEER!

HEATBREAKING tragedy was narrowly averted when a B-double load of BEER was miraculously saved from death when the truck rammed a bridge in Sydney's western suburbs. The joy-laden vehicle got stuck under a section of the M4 in Granville, the driver grievously miscalculating the amount of clearance. Emergency services raced to the scene fearing the worst, but after some anxious moments everyone was very relieved when it became apparent that the beer could be saved. Oh yeah – the driver was OK, too.

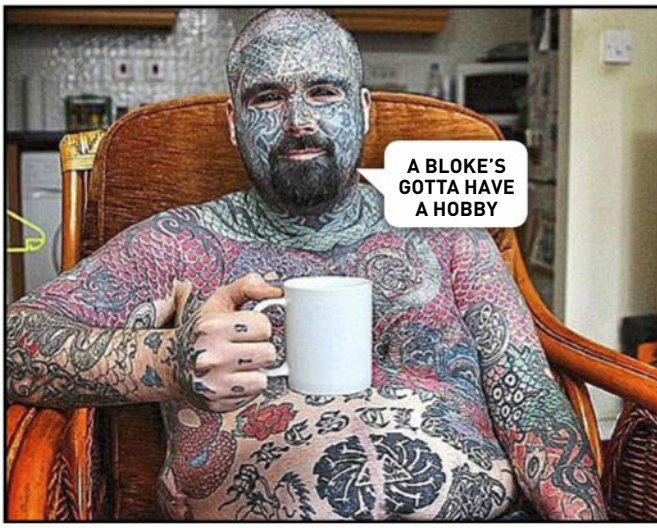
NOT A PRIUS!

TATTS INSANE!

GETTING a plastic knuckle duster implanted under the skin of his arm was one bridge too far for the UK's most tattooed man. The multi-tatted-and-pierced bloke known as King Of Ink Land King Body Art The Extreme Ink-ite may lose his arm after the skin around the implant split open. "I had the knuckle duster put in my arm in 2015 reflecting my days as a fighter," reckons Kingie, A 37-YEAR-OLD FROM Manchester who used to be called Matthew Whelan."It is a foreign object, something that the body isn't used to and has started to reject."



BIKE CRIKEY!

THERE were sweaty, whiffy bicycle seats from Chicago to Manchester to Helsinki to Tokyo after this year's World Naked Bike Ride. Even though it sounds uncomfortable, nude environmentalists turned out in 70 cities in 20 countries all over the northern hemisphere to pedal their pushes and save the planet. There aren't many rules, but a handy tip for newbies is if ya pubes are long enough to get caught in the chain, it's time for a trim. And don't offer to double chicks on your stiffy.

NO MORE WAR

EX-MMA fighter and ace PRICK War Machine has been given a minimum of 36 years for his assault of ex-girlfriend, porn star Christie Mack. Machine, formerly known as Jonathan Koppenhaver, nearly got life without parole for the two hour beating he handed out to Mack, in Las Vegas in 2014. She copped multiple broken bones, a lacerated liver, missing teeth and other injuries.

MEL B

Sydney stripper spills
on her spicy threesom
with X Factor judge

AUSTRALIA's never been more INFESTED with international celebrities. They're all over the place, making TV shows, shooting movies and bothering koalas.

So the chances of any of us non-celebrity bums ending up in the sack with someone off the cover of *TV Week* are getting better all the time!

It actually happened for Sydney stripper and model Siara Dianda, who wound up LIVING THE DREAM when she was allegedly whisked away for a big night of UNBRIDLED HORNINESS with *The X Factor* judge and former Spice Girl Mel B, and Mel's then hubby Stephen Belafonte.

We put Siara in the hot seat and grilled her like a cheese toasty for the goss.

So, Siara, how'd you end up in a threesome with the hottie formerly known as Scary Spice and her hubby?

"I was working at the strip club Dreamgirls [*in Sydney's Kings Cross – ed*] when they came in. Her husband Stephen came up and said he and Mel liked me and asked if I would come back to their hotel with them."

You must've caught their eye – what were you doing?

"I was on the pole when they saw me... I'm quite good on the pole."

'I ROOTED MEL B!'

You went back to their room, then what happened?

"I had sex with both of them and they were really lovely people. I'm not a lesbian, but who could refuse being propositioned by a Spice Girl?"

Fair call. Did Mel look good in her birthday suit?

"Yeah, she had an amazing body. This was before her third child, so she was in really good shape."

They're broken up now – would you have another go with Scary if she came back for more?

"I don't know. As I said, I'm not normally a lesbian."

Were you much of a Spice Girls fan when you were a bit younger?

"I was a massive fan! I had all their posters covering my bedroom walls. My favourite was Posh."

Well, maybe she and Becks will pop into Dreamgirls one of these nights. Are there any other celebrity couples you'd enjoy having a THROBBING THREEBIE with?

"Maybe Blake Lively and Ryan Reynolds? But they seem a bit more proper and mightn't really be into that."

You never know ya luck. They might be secretly very kinky. We'll make some enquiries. Picture

"SHE HAD AN AMAZING BODY"

OFF YA FACE!

Tattboy Holden/Instagram

Oz bloke goes for full body ink extravaganza

IF YA gunna do something, ya may as well go all the way. That's this bloke's theory.

After 30 years of spending all his pocket money at his local tattoo studio, Tattboy Holden – he changed his name a while back – looks like a well-graffitied toilet wall.

What started out as an eagle on his shoulder when he was 18 has become a full-body-and-face covering of ink, various bits of shrapnel shoved through his face, a split tongue and one permanently red eyeball.

But while there's one bit of un-fucked-with skin left, Tattboy will keep going.

"I'd never say I'm finished," Tattboy says. "If there's still any blank skin that's an opportunity to add to the set.'

He reckons getting his right eyeball tattood glowing red was the toughest assignment.

"That was pretty terrifying. You can see the needle getting closer and it's incredibly painful. It's like eye surgery. That probably hurt the most.

"Some people tell me to slow down, but they don't know what they're talking about. Something is wrong with them. I'm my own person."

Well, at least he's happy. That's the main thing. **Picture**

MOWING UP A STORM

Just a bloke doing what blokes do

THERE'S been a huge fuss made of this photo on the internet of a Canadian bloke continuing to mow his lawn as a tornado bears down on his house, threatening blow him a new arsehole.

They reckon this bloke, Theunis Wessels, might've been so distracted by the mower throwing a bit of oil or by dodging a bit of dog shit that he didn't see the approaching twister, but we don't reckon that's it.

We reckon he saw it – AND HE DIDN'T FUCKEN CARE.

'Cos when a bloke decides he wants to mow, he wants to mow, and no pissant bit of wind is gunna stop him.

Theunis' wife Cecilia took the photo in the backyard of their home near Alberta.

"I did ask him if he was coming inside with that thing in the clouds and he calmly said no," she said.

Maybe we're reading too much into it, but we reckon Cecilia might be a bit of a fucken nag and that Theunis was far easier with the prospect of getting smashed by a tornado than to going inside and spending time with the better half.

'Cos she'd only start talking about curtains and Oprah and asking him what he thinks about stuff. Could get nasty.

Nah, Theunis, mate, you're far better off outside taking on a killer storm with a finely-tuned, two-stroke, grass-fucking machine. Mow on, son. ■ Picture

RYAN & DYLAN

Mum Ryan Conner started her porn career in 2000, daughter Dylan Phoenix in 2015. "When she realized that I was in love with the industry," recalls Dylan, "the first thing she told me was there's nothing wrong with it, always keep your pussy wet, you'll be fine." Wise words indeed!

MUM & DAUGHTER PORN STARS!

Keeping the funbags and foo-foos firmly in the family

SOME things just seem to run in families, like brains, MONEY and good looks.

It also seems to be the case that RAMPANT HORNINESS is handed down from generation to generation.

Which is a handy thing, actually, 'cos it means that when you got to pick up your date, if her mum turns out to be a bit of a STEAMY SPUNK, you'll known your chances of bumping uglies with the daughter before the night's out will be GREATLY ENHANCED.

Hopefully, her mum will have passed on a few tips, like how to fight the gag impulse during deep throating, and that hip rotatation thing that we all love so much.

Of course, if mum's a PORN STAR, then she'll have a wealth of knowledge to impart, and one day the starry-eyed youngster may even follow her into this noblest of professions.

'Cos the concept of mum-and-daughter porn stars doesn't have to be all ICKY – it can be a healthy, vibrant expression of sexuality, as life-affirming as riding horses on a beach at dawn or shooting par on a championship golf course.

Intergenerational porkability is to be admired, and who knows, when the daughter gives you the arse for someone better looking, mum could be a handy fall-back fuck. ■ Picture

THESEXXXTONS

Monica, 25, and her mum Jessica, 60, appear in porn together but they have a no-touchy rule. "We don't have a problem doing two-on-one," Jessica explains. "We will have sex with one man, but not interact with each other."

KIKI VIDIS & MIA

Just for the record, Kiki and her mum Mia never actually shot a porn scene together, just appeared as a mother-and-daughter strip show and in photo shoots. "Some people get a strange idea about what we actually do in our act, but it has humour and doesn't cross any boundaries," said Mia. And we believe her!

VERA & CHELSY

Czech chick Chelsy Sun, 24, and her mum Vera Delight began their porn careers back in 2014, rooting side by side (but not touching!) in a little delight called *Legal Porn*. Since then, Vera's retired to run a cat shelter while Chelsy continues to fuck up a storm in porn HQ, LA.

Q. WHAT'S BETTER THAN WINNING GOLD AT THE PARALYMPICS?
A. HAVING LEGS.

K.T., MOUNT MITCHELL, NSW

AN 85-year-old man, who has been a widower for 30 years, gets engaged to a 27 year old girl.

He goes to his doctor for a Viagra prescription in preparation for his wedding night.

The doctor tells him, "I need to warn you that given the length of time that you have been abstinent and the potency of this drug, sex could prove to be fatal."

The old man replies, "Doc, if she dies, she dies."

MILKY, TUNNACK, TAS

KEV was passing by Tom's hay shed one day when he saw Tom doing a slow and sensual strip tease in front of an old red tractor. With his arse clenched tightly, Tom slowly spun around and gently slid off his gumboots.

He then hunched his shoulders forward and let his braces fall from his shoulders to dangle by his hips and over his dirty jeans.

Grabbing both sides of his shirt, he ripped it apart to reveal his food-stained singlet beneath, before finally hurling his manky old hat onto a pile of hay.

"What in the bloody hell are you doing, Tom?" yelled Kev.

"Jesus! Ya frightened the living crap out of me!" said an obviously embarrassed Tom.

"Me and the missus have been having some problems in the bedroom lately and the therapist suggested I do something sexy to a tractor."

JOKE OF THE WEEK WINS $100

A MAN and his grandson are fishing. The man takes out a cigarette and lights it. His grandson says, "Grandpa, Can I try some of your cigarette?"

"Can you touch your arsehole with your penis?" asks grandpa.

"No," says the boy.

"Then you're not old enough," replies grandpa.

A few more minutes pass, and the man takes a beer out of his cooler and opens it. The little boy says, "Grandpa, can I have some of your beer?"

"Can you touch your arsehole with your penis?" he asks.

"No," says the little boy again.

"Then you're not old enough," repeats grandpa.

Time passes and they continue to fish. The little boy gets hungry and he reaches into his lunch box, takes out a bag of cookies and eats one. The grandfather looks at him and says, "Hey they look good. Can I have one of your cookies?"

"Can you touch your asshole with your penis?" says the little boy.

"I most certainly can!" exclaims the grandfather.

"Then go fuck yourself," says the boy. "These are my cookies!"

FRANK, WILSONS PLAINS, QLD

AN OLD nun who was living in a convent next to a construction site noticed the coarse language of the workers and decided to spend some time with them to correct their ways. She decided she would take her lunch, sit with the workers and talk with them.

She put her sandwich in a brown bag and walked over to the spot where the men were eating. She walked up to the group and with a big smile said, "And do you men know Jesus Christ?"

They shook their heads and looked at each other very confused.

One of the workers looked up into the steelworks and yelled out, "Anybody up there know Jesus Christ?"

"Why do you ask?" one of the steelworkers yelled down.

The worker yelled back, "'Cos his wife's here with his lunch."

NUGGET, BAMBOO, QLD

A BOY is born without a body, only a head. All through the boy's childhood, his father is devoted to him, looking after his every need and taking him everywhere.

Then, for the boy's his 18th birthday his father, takes him to a bar for his first drink.

The father orders his son a scotch and when the boy drinks it, an arm pops out of his head. He drinks another shot and another arm pops out.

After the next shot a torso pops out. After more shots, suddenly he has arms, legs, a whole body. Overjoyed, the boy runs out of the bar and is hit by a truck, killing him instantly.

A drunkard in the corner looks at the father and says, "He should have quit while he was a head."

"A man gets a phone call. Turns out his wife's been in a car accident. He rushes to the hospital and the doctor says, 'I've got bad news. It was a very bad accident. Your wife will be crippled from the neck down. You'll have to feed her, bathe her, clean out her every passage, change her, she has no control over her bladder or bowels.' NOW YOU'VE MADE ME ANGRY...

MUNGO, when are you gunna be the next star of *The Bachelor*? I reckon you'd be great on that. I love when the bachelor flicks the chick contestants by not giving them a rose, they cry about it, then go off and bitch about how they hated him anyway and end up fucking some 'roided-up personal trainer and selling their story to a chick mag before fucking off back to their job at the nail salon. It cracks me up.

M.T., NARRABEEN, NSW

MUNGO SAYS: Suck my balls. The fact that that show even exists makes me wanna kill puppies. And I really like puppies. Everyone on it is a cunt. Everyone who watches it is a fuckwit. I've taken runny shits that were classier than that show. Now look what you've done, M.T., I'm all angried up. Who wants a fight? Quick, before I calm down and lose my edge. Jesus. The Bachelor? Fuck you.

Chuck this lot on a deserted island

FOR PETE'S SAKE!

HI MUNGO, What do you think about the campaign to change the name of the Margaret Court Arena in Melbourne just because poor old Madge doesn't like gays very much? If Melburnians allow that to happen I reckon they should rename their whole bloody state. Queers were imprisoned during Queen Victoria's time and she did fuck-all to prevent it, so why not rename Victoria after the country's best known homosexual, Peter Allen? Call it 'Pete'. At least that would be swapping a foreign queen for one of our own.

P.M., LABRADOR, QLD

MUNGO SAYS: That sounds fair. Only thing, I dunno how the Victorians would take to having their state renamed after a New South Welshman, Peter Allen being from Tenterfield. Waddya reckon, future Pete-arians?

MUNGO WANTS TO KNOW...

What do ya reckon is the worst reality TV show ever? I know there are a lot of contenders, but if you can stop punching the wall long enough to drop me a line, I wanna know.

EVERY LETTER PRINTED WINS $50

LETTER WITH A PICTURE WINS $100

TWO OF A KIND

I HAVE two celebs for your clone files that must be included: Anne Hathaway and Brooklyn Chase.

Even you must admit to them being identical, as they both have:

- Phenomenal tits;
- Equally filthy bodies;
- Evil, nasty, sleazy smiles;
- Milf status; and
- The opportunity to fuck me, preferably at the same time.

As for that last point, with your money for my efforts, I stand a better chance. Please help me.

BLUE DINGO, TRIGG, WA

MUNGO SAYS: Maybe not identical, but there's definitely something hornily similar about them. If only Anne had gone into porn, she and Brooklyn could be a phenomenal lezzo twin double act. Still, if her regular movie career goes down the shitter – and it appears to be heading that way – she's still got a few good porn years left in her. Let's hope.

THE DOCTOR IS IN

MUNGO, I'm getting close to 30, and you've been around forever so you must be close to 60, so I reckon you're the man to ask. Do us blokes have a certain number of erections before we can't go hard anymore? I'm wondering if I should start spacing them out a bit more to prolong my sexual pleasure. Cheers.

C.C., TERANG, VIC

MUNGO SAYS: I'm not a medical man, but it seems to me your dick is like a finely-tuned engine – you have to keep it running for it to stay in tip-top condition. Whereas if you leave it in a paddock to rust, it's gunna be hard to start. What I'm saying is, use it or lose it. You hear about these swami blokes in India still firing off their goo bazookas at 90. That's what I plan to be doing at that age. Not in India, but. Ya can't get a decent steak sandwich over there.

It's Formula One for mooers!

DIRTY DEEDS

WHEN they've ploughed a few hectares of rice paddy, knocked up a temple or two and solved the riddle of the universe, the rice farmers of West Sumatra like to kick off the traces with a bit of 'pacu jawi', the ancient and extremely beaut art of mud-cow racing. Each farmer picks out his favourite two cows, and – after giving the mooers a pep-talk and a run-down of tactics and strategy – grabs them by their tails and yells 'giddy-up' in Indonesian. The rest is more fun than you could poke a big stick at. The cows take off at top speed, and the jockey stands on a plank of wood between the harnesses and basically eats mud until the bovines get the shits and stop. It's been going on for a couple of hundred years, and nobody has a fucken clue why they do it. Probably because there's not much on Indonesian telly.

MUD MADNESS!

SION

Kiki will love you long time!

WE LOVE being introduced to new people. Actually that's not fucken true at all – we love meeting new models who enjoy taking their clothes off for this magazine. And now we've met 21-year-old Kiki we're as happy as a dog with two dicks.

Where have you been all our lives?

"I live in the Ukraine. Many people think I'm from Asia, but I actually live in Europe. My heritage is Asian, though."

Is this your first time starkers in a bloke's mag?

"For this magazine, but I've been doing porn shoots for a couple of years. I really enjoy it. A lot of guys really like the way I look without my clothes on."

Bloody oath they do, Kiki. You almost gave us a double coronary!

"I'm very submissive in bed. I like a strong man to take control and dominate the sex. And there's nothing better than sex from behind. I guess being bent over is my thing."

What kind of blokes do you like to root?

"I like good looking older men. I like ones who are kind and know how to treat a lady. I'm not really into sex with women, just men."

Please continue.

"Men have told me I'm very talented at oral sex. I can do it for hours – you wouldn't believe how good my skills are."

Sounds like you're taking to the business like Boonie to a cold beer. ■ Picture

"BEING BENT OVER IS MY THING"

Talking Dirty WITH TRINITY

PUBLIC EXPOSURE

I HAVE this fetish where I love jacking off in public. Like in the dark at a cinema, backseat of a bus, the changing room at David Jones, places like that. Where's the weirdest place you've ever rubbed one out, Trin?

CHOPS, MAYDENA, TAS

TRINITY SAYS: ***YES! I fricken love you! I think that's some hot shit right there. The thrill of someone maybe seeing is the best. I once rubbed one out in the back of a taxi on the way to the airport. It took me ages but when I got there it was a massive orgasm.***

"I ONCE RUBBED ONE OUT IN THE BACK OF A TAXI"

BUTT STUFF

HEY Trin, can a chick come from just anal sex? Or does she need to rub her pussy at the same time? If she can, is there a different feeling from coming from anal than from normal vaginal sex?

J.O., MORIAC, VIC

TRINITY SAYS: ***Yes, absolutely she can, and it's definitely a different kind of orgasm. Just like squirting is different and clitoral is different yet again. There are so many amazing variations of orgasms; you just need to know how to work them. Or even better – combine them!***

LOOSEN UP!

HI BABE, why do I get so horny when I'm drunk? After about six tequila sunrises I just want to fuck every guy in the entire club! I don't think any of my friends feel the same way. Is this normal? Do you get horny after a drink?

SANDY, MELBOURNE, VIC

TRINITY SAYS: ***This is a bit of a silly question, of course I do – most of the drinking population does! Drinking lowers your inhibitions babe. It allows you to feel and do things that you normally wouldn't openly do on a regular basis. Embrace it babe, but be safe!***

Velvet Cream Imagery, iStock

MOUSTACHE RIDES

DOES getting eating out by a guy with a moustache actually feel better? I'm contemplating growing some facial hair and want to know which style will make me better at going down on chicks.

V.K., SHEPPARTON SOUTH, VIC

***TRINITY SAYS:** If it's too short and spiky it can be like rubbing sand paper on your clit and that's shit. To be honest it's all about the tongue, dude, so just make sure you've got that sorted. The moustache won't help you if you've got shit technique.*

GET IT UP YA!

Y'KNOW in that movie *American Pie* where the bloke bones that hot apple pie in the hope it feels like pussy? Well I wanna know what the best household or food item you've ever masturbated with or used as a sex toy is?

C.O., OONOONBA, QLD

***TRINITY SAYS:** I don't use household items, mate, so I wouldn't know. For safety and sanitary reasons I only use things specifically designed for sex and internal usage. And I suggest that you do the same!*

FIRST TIMER

I'M LOCKED up right now, Trin, and we've got this young bloke in here who's a virgin – the little bastard has never even kissed a chick! His name is Troy, reckon you can say something sexy about how you want to fuck him? Just for him to have a little wank to? Or even better, come in for a conjugal visit and fuck him senseless!

DEANO, GOULBURN, NSW

***TRINITY SAYS:** Hahaha! Wouldn't that be epic – getting smashed up by yours truly for your first ever time while still in jail! I'm still going to have to say no, though. But tell Troy to imagine my lips wrapped around his manly, hard cock sucking the spunk out of it. That'll do until he gets out and can get it wet for real.*

TRINITY'S SEX TIP

Ladies, when you stick things up your arse make sure that they have a stopper or a string for you to pull them back out so they don't go all the way up and disappear. A good way to ensure this doesn't happen is to go to your local sex store and buy something that's meant to go up there like anal beads or a butt plug. It's better to be safe than be the laughing stock of the hospital when you're admitted for having a candle stuck up your date!

JIZZ FRIZZ

WHAT'S the best way to get semen out of my hair, babe? My boyfie busted a load in my face and it all went in my hair. I like getting facials but when it goes in my hair it's so annoying to get out – do you have a trick?

STICKY, MORWELL, VIC

***TRINITY SAYS:** Wash it with shampoo, babe – it's not super glue. Seriously!*

BUSH-WHACKER

THE other day I stumbled across this porn where this hot girl was in a shower and then some guy came out and put shaving cream all over her pussy, grabbed a razor and shaved the thing bald! Now I've realised that's something I want to do. I want to shave a woman's vagina – is there a name for that fetish? Can you grow a bush out and I'll shave yours? Actually do you have a bush right now?

BURKE, LITHGOW, NSW

***TRINITY SAYS:** I'm pretty sure it's referred to as a 'depilation fetish' the removal or lack of hair. And I have no bush right now, (mine's red, just FYI) but I do sport a landing strip from time to time.*

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

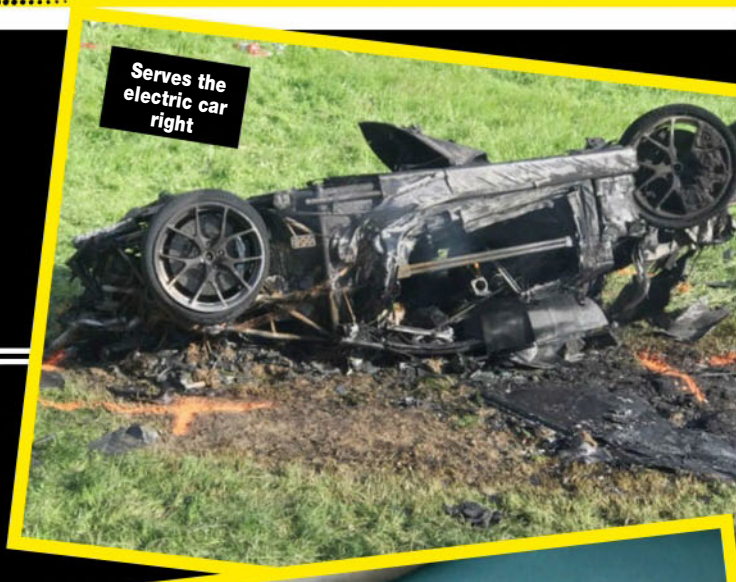
WHO:
TV revhead Richard Hammond

WHERE:
Hemberg, Switzerland

WHAT:
Crashed a car... again

OUCH FACTOR 87%

The pain should be offset by his massive fucken TV star salary



IT HARDLY comes as a big surprise that ex-*Top Gear*, now *Grand Tour*, co-star Richard Hammond has had a massive bingle and done himself a bit of an injury.

(IF you're not too sure which one of them Hammond is, he's not the tall, dopey looking one, or the OTHER tall dopey looking one, he's the SHORT, dopey looking one)

The Hamster was driving a $4million electric car in the Swiss countryside when he lost it on a bend and rolled it down a hill, where it caught fire and burned down to a pile of very expensive ashes.

He managed to leap out before the inferno started, but was immediately carted off to hospital where Swiss docs – probably using them fancy little pocketknives – operated on his smashed left knee to put in five steel pins.

It's not Hammond's first shit-storm on the show, not by a long shot – in 2006 he was in a coma for two weeks after a big smash on *Top Gear*, and after that he nearly totalled himself in a motorcycle accident while filming for the current show.

But considering how these blokes drive, you'd have to say, serves ya fucken right, mate.

So get up ya TV celebrity sook, and get a fucken round in. ■ Picture

Bend over and take a deep breath – Nurse Kristy is here

...AND SHE'S SINGLE

Picture Pin-up

MOST rational blokes would rather nail their cock to a burning building than spend any time in hospital – but that's all changed thanks to 21-year-old Perth nurse Kristy Price.

"I really like nursing and helping people. I started off working as a paramedic at music festivals. Guys would pretend to pass out in front of me," laughs the BULLSHIT HOT health professional. "I think they just wanted me to give them mouth to mouth."

We already have a PAINFUL SWELLING. Is that all you do for a crust?

"No, I'm much more involved with dancing at the moment. I work over here in WA at the Penthouse strip club as a showgirl."

You must get blokes tryna pick you up every shift!

"Yeah, it happens a lot. A lot of them comment on my legs or booty. My bum gets so much attention."

We're not surprised! You exercise a fair bit?

“MY BUM GETS SO MUCH ATTENTION”

PIN-UP

KRISTY

#1434

"All the dancing and lap dances I give keep me in really good shape. I think it's also a genetic thing too."

We'd love to meet ya Mum then! Please tell us you're single.

"Yeah, I am at the moment. I usually go for fit and active guys. I'm especially into surfers who like the beach."

Yeah, we like the beach. What's the best way to pick you up?

"Come and buy me a drink while I'm out somewhere with my friends – but not while I'm at work. I love a vodka and lemonade."

Noted. You're not an angry drunk are you?

No, I'm more of a flirty one. I do silly stuff, too. Over here there's a club that backs right onto the beach. I nearly always end up skinny dipping there during the night!"

What's your wildest rooting story, Kristy?

"My best friend and I went out one night and randomly picked up this guy for a threesome. I guess he was just in the right place at the right time. We haven't seen him since but it was really fun."

KEN OATH. What's the best sex possie in your medical opinion?

"My favourite has always been the 69er. I think getting and giving at the same time is great. And I like girls too. If I don't hook up with a guy while I'm out at night, I'll usually end up hooking up with another girl."

We like that plan! ■ Picture

"MY FAVOURITE IS THE 69ER!"

WHAT A RACK!

Anna's chesticles should have a WIDE LOAD sign on them

THERE'S only one person who reckons 22-year-old Anna's CHEST PUPPETS are too big and that'd be her bloody chiropractor.

"I've had some trouble with my back when I was growing up because of my breasts," explains the Russian-born stunna. "My chiropractor says they are throwing my whole body out of alignment. I really like the size of them, despite what he says."

We don't reckon most blokes would complain about them, either!

"They've been this large since I was 18. Men have been obsessed with seeing them and touching them. I just wish they were exactly the same size."

Yeah, righty looks bigger than lefty...

"It's just how they grew! I've thought about getting them operated on to be exactly the same. Maybe reduced in size a tiny bit."

NOOOO!

Made in RUSSIA Girl
THEY'RE BIGGER THAN YA HEAD!

"THEY'VE BEEN THIS LARGE SINCE I WAS 18"

Made in RUSSIA Girl

"That's how most guys react. Sometimes when blokes stare at them they look like they are in a trance."

Probably because they've just spoofed in their pants.

"I don't think so. Guys love trying to fuck them when we are having sex, though. Every guy I've ever been with has tried that move. I prefer just regular sex like everybody else."

More information, please.

"I like it when guys are a little bit rough with me. I like being fucked really hard from behind. And I like having sex in random places where I might get caught."

Where's the weirdest place you've done it?

"On a train when I was in Europe. I straddled my boyfriend while I was wearing a dress and he just slipped inside me. It was really fun, but he didn't last long."

How long have you been in Oz for?

"Only three weeks. I really want to get a tan. I'm so pale and so are my breasts. I haven't been able to find a bikini that fits me very well, so the beach has been out of the question."

We'll see if there are any spare CIRCUS TENTS around here! Picture

My Most Dangerous Fuck

GREEK STYLE

I WAS backpacking around Europe when I wound up in a small town in Greece, where I decided I'd chill out for a couple of weeks.

The hotel was a family-run joint, and I was pretty impressed with the spunky daughter who worked there as a waitress. I was getting horny vibes off her, and I figured we could make sexy magic together, but the trouble was her tribe of brothers who were hanging around all the time.

One night I managed to get her alone to knock back a few ouzos in a field the moonlight. She told me she was frustrated as fuck because every time she fancied a bloke, the brothers would scare him away.

By that stage I didn't give a fuck about her brothers – that's what ouzo does for ya – and we started fooling around.

It was a warm night, and we were behind a fence, so we tore each other's clothes off. She was stacked, with a huge rack and a beaut natural bush.

I growled her out, loving the feel of her pubes on my face, and as she started to moan I thought I heard voices in the distance.

Ignoring that, I manoeuvred her around so I could slide my rigid cock in to her dripping pussy.

I was going hard and deep when I heard the voices, again, louder this time, but since they were speaking Greek I didn't understand what they were saying.

But my little Greek sheila did. "Shit, it's my brothers!" she whispered, and we froze. But even as they walked up the lane on the other side of the stone fence I could feel her smoo clenching and unclenching around my cock, and I couldn't help but start to slowly fuck her again.

We had the quietest fuck of all time, then pulled our clothes on and snuck back to the hotel.

The brothers were giving me the evil eye the next day but I managed to get out of town alive.

PLAYTIME

ONE day I was showing my girlfriend Susie around the park I used to play in as a kid. We took some booze and ended up having a sesh near where all the swings and stuff were.

We necked a bottle of wine, and as usual when we get on it we both got pretty horny.

I was telling her how I used to dream about rooting girls there when I was a young bloke, and as I was talking she started stroking my thigh with this stupid grin on her face.

"Well, let's make your dreams come true, baby," she purred.

Sproing! Instant stiffy. Then Susie stood up and bolted over to the slippery-dip, which was one of the old school jobs with the ladder and metal slide than they got rid of 'cos they were too dangerous.

She slid her panties down and climbed up the ladder so I could see her little back spadger as I followed her, and when we got to the top she turned around so she could straddle me.

There was no-one around, so I let her unzip me and slide her wet smoo onto my cock while I hung onto the bars on either side. But after a few strokes I went to grab her tits... and down we went.

It was exciting until we hit the bottom, and Susie flew off my cock backwards and landed in a muddy puddle with her legs in the air. She was laughing, but, so I knew she was alright. Then we went over to the swings, where I sat down and Susie wrapped her legs around my waist and we started swinging.

We got about three swings in before we lost our balance, and this time it was me who fell over backwards, and Susie landed on top of me, nearly breaking my cock.

What with my aching cock and the lump on the back of my head, I decided to hell with the play equipment, let's go home and root in bed where it's safe.

I'VE never knocked back a root, so when I found myself being cracked onto by this rough-looking sheila I didn't think twice – if she wanted it, I'd give it to her.

When I say rough, I don't mean bad looking, but she had tatts around her neck and a way about her that said, "Don't piss me off."

But everyone has tatts these days, and she might've just had a bad day at work, and by then I definitely had the beer goggles on, so when she asked me back to her joint, I was into it.

I should've known when she threatened to deck the cab driver that she was a nutter, but by then I'd already had a quick grope of her cameltoe and you couldn't have stopped me with a shotgun.

We got up to her flat and it was weird – just a mattress on the floor, some barbells in the corner and a punching bag hanging from the ceiling.

Suddenly she'd got my arm up behind my back and forced me down onto the mattress, screaming: "Who's your mummy?" Naturally I said: "Erm... you are?" She laughed and told me to make myself at home while she got us some drinks.

After a couple of bourbons I was getting used to her, and when she flopped out my cock and started blowing me, I thought: "Sweet!"

But just as I was about to come, she stopped, looked me in the eye and said: "If you blow in my mouth I'll cut ya nuts off."

Well, that's a boner killer right there. I stammered maybe I ought to be going, and she started freaking out and yelling that I was just like all the rest, men were all scum and so on.

When she ran to the kitchen and came back with a carving knife, I threw the rest of my bourbon in her eyes and bolted for the door, pulling my daks up as I went.

She was still yelling out the window at me when I was half a block away, running for my life.

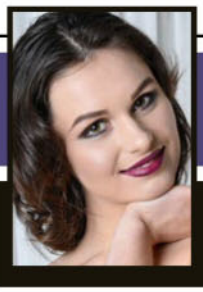
ROXY
TERRIGAL, NSW

"I work in IT and my job is penetration testing – that is what it's actually called," says 22-year-old Roxy. ***Have you done any other penetration testing at work?*** "The strangest place I've had sex is probably in the server room at work – please don't tell my boss." ***Hopefully he's not PICTURE reader. What did you like about your workplace romp?*** "Something about doing something I'm not supposed to be doing: breaking the rules. Now, whenever I'm in the room, I'm reminded of what I've done there. Definitely makes work more interesting."

WHAT IS THE WEIRDEST THING SOMEONE HAS ASKED YOU TO DO IN BED? "One of the strangest was a guy who had this sleeping fetish. I'm a fairly light sleeper, so I had to pretend pretty hard to keep my eyes closed during the experience. He made it difficult."



SASSY
SYDNEY, NSW

Despite her cool demeanour while stark naked on camera, this is actually the first time 22-year-old Sassy has dropped her undies for the lens. "I have always been confident in my body; years of yoga and clothed modelling instilled that confidence in me." ***What makes a good nude shoot?*** "Confidence and a real feeling of love for your body. What I create is not porn; it definitely has an art to it." ***We've never seen anything like you in an art gallery. What makes good erotica, then?*** "When you can view the image and have it stir something in you: something deeper than just a sexual desire." ***Well, you're certainly stirring something in us.***

WHAT IS THE WEIRDEST THING SOMEONE HAS ASKED YOU TO DO IN BED? "I had one guy ask me to squeeze his penis as hard as I could. I did it, but it felt kinda weird, like I was hurting him. But I think he enjoyed it."

JASMIN
CAIRNS, QLD

Eighteen-year-old assistant nurse Jasmin loves "spontaneous skinny-dips in creeks or the beach". ***Sounds beaut.*** "But I would have to say pool jumping is my favourite: whether it's house or hotel pools, there's never a dull moment. I'm always that friend who ends up stripped and putting on a show for the guys on wild weekends." ***So you're in your element here.*** "I'm new to this, but posing nude makes me feel more confident and it's so, so fun. I love seeing people's faces light up."

WHAT IS THE WEIRDEST THING SOMEONE HAS ASKED YOU TO DO IN BED? "I had this one guy ask me to wear his ex-girlfriend's lingerie and urinate while wearing it as he jerked himself off to finish. I said yes for the experience, and I will never do it again."

Hi there Cherry, I've been having fantasies about sleeping with women and can't stop thinking about a friend of mine and what she'd be like. Have you slept with friends or do you prefer to keep your lovers and mates apart?
FATIMA, BELMORE NSW

CHERRY SAYS: *"I've a few friends I've slept with before. Once you've been friends for a while and have shared many secrets, the subject of girl-on-girl is bound to come up – usually over a few wines. I'm happy to help my girlfriends explore that part of their sexuality."*

STACY
BRIGHTON, SA

"I have always been an exhibitionist," says clothes-free 27-year-old Stacy. "I've been known to just start getting undressed on a night out." ***Do you have exhibitionist friends who like to join you?*** "I have friends who are exhibitionists in their own way, but I'm usually doing it on the spur of the moment." ***Does this streak extend to making your own porn?*** "I've made home videos in the past. I have never sent them to anyone; that fear of them getting into the wrong hands holds me back. But I love watching myself from angles I otherwise wouldn't see."

WHAT IS THE WEIRDEST THING SOMEONE HAS ASKED YOU TO DO IN BED? "I once had a guy ask me to spit on him; like in the face. I couldn't do it. My mum raised a girl with manners. I couldn't commit."

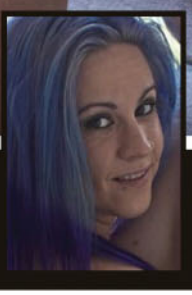
MAD & PRIZZLE

SYDNEY, NSW



"Clothing is restrictive," says 25-year-old Prizzle. "Yes," agrees 26-year-old Mad. "Everything is more fun when you're naked." ***Particularly when being photographed with another nude spunk?*** **Prizzle:** "Posing nude makes me feel sexy and confident. I'm comfortable in my own skin." **Mad:** "And boobs. And naked giggles. Posing nude is freeing: not just for body parts but for the mind." ***What's the most explicit thing you'd do on camera with another model?*** **Mad:** "Definitely kissing. As for the rest, it depends on the model." **Prizzle:** "I probably wouldn't go further down the 'porno' side. I like that girls can be intimate with touching privates."

WHAT IS THE WEIRDEST THING SOMEONE HAS ASKED YOU TO DO IN BED?

Mad: "Suck on his toes. I didn't." **Prizzle:** "I've been relatively lucky in my sexcapades. Hardcore BDSM is about as strange as it got."

NATALIA

SYDNEY, NSW

This naughty nurse and her vajootz got a very good workout at the gym recently: "I go there five times a week to perve on the hunky guys, and last week one of them told me to meet him in the showers," 27-year-old Natalia told us. "When I got in there he was completely naked, so I stripped off and he did me as hard as he could. I certainly worked up a sweat that night." ***You've got a few tatts, which one's ya favourite?*** "I have the lyrics to the Metallica song *Nothing Else Matters* on my back – that's my favourite. They're my favourite band and I can't wait to see them in concert soon." ***Would you root James Hetfield?*** "No." ***Yeah, neither would we.***

"There's no limit to what I'll do in bed"

AYESHA

DARWIN, NT

"Men should be admired, adored and used for uncomplicated, casual sex," claimed this 24-year-old waitress. "I'm single and loving it. I'll see a cute guy at the supermarket or the servo, give him a slap on the arse, and next thing we're back at my place." ***We assume you don't get them back there to play Twister.*** "Hell no! They're there for sex! There's no limit to what I'll do in the bedroom – I'm just getting into bondage and whipping fellas." ***So you're pretty comfortable being nude?*** "Definitely. I was a topless waitress for a few years and I'm always the first one to get my gear off at parties." ***So's Carl Lagerfuelled, which is probably why he doesn't get invited to parties anymore.***

"I've had a foursome with a girl and two guys"

LEEORA
LISMORE, NSW

"I love having sex to slow, deep house," says 21-year-old Leeora. ***You don't have any German beer drinking songs to get into the mood?*** "House starts off slow and sexy, but builds tempo." ***Just one-on-one?*** "I've had a foursome with a girl and two guys. I focused a lot on the girl as each guy took turns fucking us. I loved getting pounded from behind as I played with the girl's clit, at the same time sucking the other guy."

WHAT IS THE WEIRDEST THING SOMEONE HAS ASKED YOU TO DO IN BED? "The kinkiest thing I have tried is being a submissive; hands tied and pulled between my legs and gag in mouth, getting fucked from behind with a butt plug in my arse. It is one of the hottest things I have done."

FAWN
BYRON BAY, NSW

"My partner and I have made amateur porn before," says 26-year-old American traveller Fawn. "I'm not a fan of the awful, male-pleasure focused porn out there. So we made something the ladies would love to watch." ***What porn genre most turns you on?*** "Lesbian, because it focuses on the woman's pleasure." ***You like sex with girls in real life?*** "Women are soft and supple and make me weak in the knees."

WHAT IS THE WEIRDEST THING SOMEONE HAS ASKED YOU TO DO IN BED? "This isn't so much weird, as painful. My partner and I were camping near Bowen and decided to have sex in the bush. As I was riding him, I got bit on the arse by a spider. It hurt so bad I was convinced it must be poisonous. Being from the US, I didn't realise green jumping spiders are harmless."

"I've given a few sexy massages," admits platinum blonde 21-year-old Jasmin. ***Do you whip out the nice oils, stinky candles and tropical rainforest soundtrack?*** "I sure do. A few years ago I wanted to be a professional masseuse, so I started a remedial massage course but didn't finish it." ***Did you at least make it to the HAPPY ENDING lecture?*** "They did actually mention that and how it's unprofessional, so that's why I stopped – that's the best part!" ***Does it ever lead to more than just a HAND SHANDY?*** "Definitely. Fucking while you're all oiled up after some nice, long foreplay is amazing. I love climbing up onto the massage table and slipping a nice oily cock inside me." **WHAT IS THE WEIRDEST THING SOMEONE HAS ASKED YOU TO DO IN BED?** "It's usually me asking others to do the weird things in bed!"

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of ALL NEW TESTRONE X-TREME have been shown to increase both testosterone and nitric oxide in the blood. Commonly known as the "Viagra of the Amazon", Muira Puama is a powerful ingredient known to help increase blood flow to the penis. In so doing it expands the vascular system and interior cavities making your erection larger and harder. PLUS Tribulus Terrestris which has been used in traditional Chinese and Ayurvedic cultures for thousands of years. Only the best ingredients of the highest quality are ever used in our formulations.
